Holiday Pick up Schedule

The only holidays that our drivers do not work are Christmas Day and New Years Day. During those weeks, when the holiday falls on a weekday, pick up will be delayed from the holiday through the end of the week. This year the holidays fall on a Wednesday so Wednesday through Friday customers are effected. See below for information on schedules for the Christmas and New Years holiday weeks this year:

| If your regular pick up date is: | Then your pick up will be: |
|----------------------------------|----------------------------|
| Monday | Monday |
| Tuesday | Tuesday |
| Wednesday | Thursday |
| Thursday | Friday |
| Friday | Saturday |

There is no delay in collection the week of Thanksgiving.

2025 collection calendars available online after Dec. 31, 2024.

The online calendar lookup on our website will be updated with 2025 calendars after December 31, 2024. Scan the QR code to go directly to our online calendar lookup.

If you prefer to have a calendar sent to you, please contact our office and we would be happy to mail or email one to you. We mail out calendars by request only.

Christmas Tree Recycling

If you would like to have your Christmas tree collected and you have yard debris service, you can put your tree in your yard debris cart on your scheduled yard debris day. Place the tree inside your yard debris cart (or in place of your cart) and it will be picked up no charge. If you put your tree out in addition to your yard debris cart, there is an extra fee. If you do not have yard debris service, please call our office to make arrangements for the tree to be removed.

All trees over 5' must be cut in half. If the tree is over 4' wide, it also needs to be cut down.

All lights, ornaments, etc. must be removed. Wreaths are accepted if all wire framing and decorations are removed. Flocked trees are not accepted as yard debris but can be picked up as garbage.

If you're having a non-profit organization pick up your tree, please do not schedule that collection on your Pride Disposal pick up day to avoid any confusion.

Hosting a Party This Holiday Season

The holiday season is upon us and when you're getting ready to gather with family and friends remember these tips on how to reduce your food and party waste.

- Plan your shopping list in advance and adjust recipes for the number of guests.
- When you're doing your grocery shopping, remember to grab your reusable shopping bags before heading to the store.
- Try selecting reusable rather than single use items. Not only will you reduce waste associated with paper and plastic, your mixed place settings are likely to be a hit with your guests.
- Make sure to set your in-home recycling bin next to your trash bin during the party. This is a proven way to increase capturing recyclables. Who knows? Maybe it will even spark up a conversation with your guests about recycling.

- Encourage your guests to bring reusable containers for leftovers. They will make a great snack or meal for days to come. Get creative with leftovers and freeze any extra food.
- Put any food scraps in your yard debris bin and we will take care of them for you.

Visit EatSmartWasteLess.com for more tips to prevent food waste.

Subscribe to Pride Disposal's E-newsletter!

Have you signed up for our e-newsletter yet? With the upcoming winter months, this is a great way to stay up to date on weather delays, holiday collection schedules, recycling information, and more! This is the quickest way for you to receive relevant information about your services.

You will receive notification in advance if we're coming to pick up on a holiday or if your services are delayed for any reason. You'll also know if the weather has impacted our ability to provide service, and if so, when we'll be able to make up that service.

We promise we won't spam your inbox!
